About Us
Karthik Consulting was founded in 2008 to be a reliable and trusted advisor to our customers, providing independent and unbiased recommendations and solutions that mitigate risk and help solve their IT problems. We bring the innovation, passion, and agility of the commercial IT industry to meet the unique challenges of the government.

Our specialties include agile software development, Operations & Maintenance (O&M), program management and cyber security.

We are a DOD Cleared Facility with a DCAA-approved accounting system.
